Family First

The Greater Buelahland Fellowship focuses on the family first. The family is key to the growth of the church. God made families. Genesis 2:18 states, The LORD God said, "It is not good for the man to be alone. I will make a helper suitable for him." Therefore, the focus of the believers principal ministry is their family. Your relationships should be as follows: God, spouse, children, and church.

*The focus is
the family!*

The Church movement's design originated with the family. How can you lead a church or church ministry, if you cannot lead your own family? Our model for family is God. He covers, leads, provides, protects, disciplines, sacrifices, and empowers us, His children. That is the best model we can have. Every believer must value their family with the highest regard, and view family as the first ministry they have.

Family existed before nation, government, race, or any other social relationship. The model for the Church movement is the family. Paul

*Spend Quality
Time Together*

Colossians 3:18-21 defines the family operation in great detail, Wives, submit yourselves to your husbands, as is fitting for Christians. Husbands, be loving to your wives, and be not cross or surly with them. Children, obey your parents in everything, for this is well pleasing in Christians. Fathers, do not harass your children, lest you make them spiritless.

Your family should always be first, that's the way God planned it.
